

Acknowledgments

Thank you, Priya and Praveen, for hosting this year's recital.

Thank you, Parents, for encouraging your children to learn tabla and for supporting me in my efforts.

Thank you, Students, for inspiring me every day with your dedication.

Thank you, Extended Family and Friends, for supporting Indian Classical Music education.

Presentation of Certificates

Reception

Student Performers

Arjun Navnith - Age 15, Grade 9, Avon High School
Year talim started: 2019

Why I learn tabla: "The music connects me to my roots since I am originally from India. I am very fond of the music."

Pavan Kapoor - Age 12, Grade 6
Year talim started: 2016

Why I learn tabla: "I wanted to play an instrument that you play with your hands and liked the way tabla sounded. I went to take lessons and really enjoyed it."

Ashwin Menon - Age 14, Grade 8, Amity Middle School Bethany
Year talim started: 2015

Why I learn tabla: "Tabla, for me, is a way to broaden my understanding of Indian music and culture while exercising discipline and expanding my abilities."

Adhvait (Adi) Praveen Kumar - Age 12, Grade 7, Timothy Edwards Middle School, South Windsor
Year talim started: 2017

Why I learn tabla: "I've always been influenced by classical music because I've always heard my Amma dance to it. One day, my Amma asked me if I wanted to play a classical instrument. I listened to the options my Amma gave, and I decided I wanted to play tabla. My uncle Shivamama also used to learn tabla when he was a kid and he encouraged me, as well."
